## Page 2 – Woodrow Hall Award Application

Narrative describing idea for new program or project that answers the following questions (use more paper as needed):

- a) what the program or project idea is
- b) your specific role in conducting it
- c) format, venue(s), partnership(s) it would involve. List businesses or organizations you have identified or approached about your idea, and their response to participating
- d) what kind of publicity you will conduct to get word out about your project
- e) timeline for project (must start after money is awarded; to be initiated in September 2012)

Lastly, describe how receiving the monetary portion of this award would help carry out your idea, i.e., what expenses it will cover.
